Totally clean

Total Foodservice are proud of our very own cleaning formula; Totally Clean. Effective cleaning products which are kind to our environment.

Made from concentrate to provide excellent economy without compromising on cleaning power.

KIND TO THE ENVIRONMENT

The Totally Clean ecological range has been specifically formulated to be kind to the environment. Its manufacture is powered by photovoltaic solar panels. The ingredients used in the formulations are glucose based materials, low hazard alkalis and food based acids. This allows our products to be fully biodegradable, with no special disposal requirements. The containers we use are HDPE and can be easily recycled.

DOSING SYSTEM

The products are provided in a specially designed dosing bottle. A starter pack contains 1 litre of concentrate, 2 colour coded trigger spray heads and 2 labelled trigger spray bottles. This simple system means the ready to use product can be made as needed by anybody with basic CLP/CosHH Training.

All 750ml, 1ltr and 5ltr bottles are now **made from recycled plastic and can be recycled again**

EXCELLENT ECONOMY

The highly concentrated nature of our products means each 1 litre bottle will provide you with up to 40, yes 40x750ml bottles of ready to use product. As this is a concentrate you are not paying us to deliver water to you, essentially cutting your transport costs.

LOW HAZARD FORMULATION

All our concentrates are low hazard, with no handling requirements under the old COSHH system and eye irritation under the new CLP labelling requirement. The Ready to use product is not classified under the CLP regulations meaning it has almost no hazard.

BENEFITS OF THE RANGE

- Environmentally friendly
- Simple dosing system
- Compact for easy storage
- Powerful cleaning action
- Cost effective
- Fully biodegradable
- Phosphate and phosphonate free
- For domestic and industrial use
- Low Hazard at point of use

1ltr concentrate will yield up to 40x750ml ready to use bottles

Keep FOGs Out Of Your Kitchen Drain

Remember that Fats, Oils and Grease (FOGs) can cause problems for your business and for the municipal wastewater collection system.

1. THROW IT

Scrape and throw left over food into the food bin before washing or loading the dishwasher.

2. WIPE IT

Wipe cooking oil, butter, sauces and salad dressing off cooking equipment and plates with a paper towel before washing.

3. CLEAN IT

Monitor your grease trap weekly and measure the grease build up.

Did you know...

It is a legal requirement for any business dealing with hot food to install and maintain a suitable grease trap. The Building Act 1984 states in section 59 that a local authority has the power to require satisfactory drainage, meaning that the installation of an adequate grease trap can be enforced.

ALL FOOD OUTLETS ARE RESPONSIBLE FOR THE WASTE THAT GOES DOWN THEIR DRAINS.

Total Foodservice have developed an Enzyme based drain maintainer, keep your drains cleaner and meet the legal requirements with this non hazardous product.

We can even install an automatic dosing unit to suit your outlet!

YOUR TOTAL FOODSERVICE

Every product your business needs

For more information about our Total range of products for the caterer ask for a copy of our directories and brochures. Our Total range includes;

Frozen Food

Fresh frozen fish, meat & poultry, the highest grade vegetables, tasty pies, artisan breads, desserts, confectionery, pre-prepared meals and so much more.

Chilled Food

The freshest juices, dairy, speciality cheeses, sliced meats, deli and charcuterie you'll be proud to call your own.

Grocery

Ambient, dried, packed and canned. The stock ingredients that give your kitchen time, convenience, simplicity and some fabulous finishing touches.

Impulse

Well known and own brands with the sort of inbuilt irresistibility that builds profit margins.

Cleaning

Big brands, budget and environmental ranges all with one common feature; each possesses the cleaning power caterers need, inside and outside the kitchen.

Non-food

The foils & films, disposable cups, cutlery, paper goods and accessories that no catering business can do without.

Whoever you're catering for, make us your Total Foodservice.

HOW TO ORDER

You can place your order quickly and with the minimum of fuss using any of the following methods:
