The law

Regulation EC/41/2009 covers the labelling of gluten-free food and has been in force since 1st January 2012. The law places conditions on the use of the term 'gluten-free'. This applies to the catering industry as well as pre-packaged food.

This directory

Products in this directory are made without gluten. If you are labelling your dishes as gluten-free, you need to ensure your dish contains 20ppm (parts per million) of gluten or less.
